APOLLO HEALTH STREET EXPANDS OFFICE LOCATIONS TO BOSTON

Conshohocken, Penn. – [Apollo Health Street](#), a developer of world-class solutions that tackle healthcare’s toughest financial and IT challenges, announced today the opening of a new office to service healthcare providers in Boston, Massachusetts.

Already serving clients in the Boston area with a dedicated team of local employees, the expansion signifies Apollo Health Street’s recognition of the city’s tradition as home to numerous outstanding healthcare facilities. The company looks forward to working with these organizations to maximize their revenue cycle potential.

“With so many hospitals in the Boston area, it only makes sense that we would concentrate resources here,” said Christopher Shea, vice president of operations for the Apollo Health Street Boston Office.

“In each of our engagements, we strive to work seamlessly with our clients and extend their existing resources to achieve results beyond what they could do alone. Physical presence is critical to the work we do, and we look forward to partnering with the area’s hospitals as part of the medical community here in Boston.”

Apollo Health Street’s Boston office will offer its [full range of revenue cycle solutions](#) to healthcare providers – whether maximizing a hospital’s revenue cycle on a full or focused scale, keeping physician practices up to par with the toughest regulatory standards, working through patient claims from beginning to end, or developing and implementing a customized EMR.

The Boston office will be supported by Tony Slabacheski, vice president for Apollo Health Street and Amy Ryba, regional vice president of provider solutions for Apollo Health Street. The office is located at [10 High Street, Suite 402](#) in Boston and can be reached at 617.338.4718.
